

**Dr. Ouellette's LOW BACK DecoM,
Straight, & Rest Program**
New Low Back Pain Protocol
A pain free low back is our goal.

- Decompress discs and tissues with flexion technology
- Includes a unique doctor's hand assist protocol
- Straighten and rest the spine
- Deep fibre therapy as needed, no charge
- Photo Therapy (LASER and others), included
- Partnered with Dr. Ouellette's **Pain Relief Diet** for superior results
- Electrical therapy as necessary, no charge
- One low fee for all therapy modalities
- Pay as you go, no large up front fees
- This is a great program for acute, chronic, or recurring low back pain.

Dr. Ouellette is a certified member of the Royal College of Chiropractic Sports Science (Canada), Practising since 1973
